

Centre of Global Studies,
The Institute of Philosophy of the Czech Academy of Sciences
and
Federal University of Santa Catarina

Invite you to a workshop

**"Voices from the South:
Latin-American Views on Global Issues"**

**Friday, May 7th, 2021 at 2:00 PM (Prague time)
Online on ZOOM**

The lectures will be given by

Facundo García Valverde (Universidad de Buenos Aires):
Justification and Power in Taxes to Wealth in COVID-19 Argentina

Alessandro Pinzani (Universidade Federal de Santa Catarina):
Political Lessons from the Pandemic

Dominika Dinušová (Centre of Global Studies):
Political Philosophy of H.P. Agosti in the Trajectory of
Revolutionary Thought in Latin America.

The lectures will be introduced and chaired by Marek Hrubec
(Centre of Global Studies). A discussion will take place afterwards.

The seminar is organised within the Research Program on
„Global Conflicts and Local Interactions“,
AV21 Strategy, the Czech Academy of Sciences
